

MCYC Policy: Use of Marina Dock Facilities for Pick-Up and Drop-Off by Non-Members

1. Purpose

This policy establishes clear rules for the temporary use of MCYC marina docks by non-members for the pick-up or drop-off of MCYC members or their guests. The intent is to provide convenience while ensuring safety, fairness, and protection of club property and liability.

2. Scope

This policy applies to all MCYC members, their guests, and any non-member individuals or commercial operators engaged solely in transporting people to or from the dock. It does **not** permit delivery or transport of construction materials or other cargo.

3. Definitions

- **Pick-Up/Drop-Off:** Temporary docking for the sole purpose of allowing a person to embark or disembark, with no extended moorage or waiting.
- **Non-Member Operator:** Any individual or commercial entity without current MCYC membership providing transportation.
- **Member of Record:** The MCYC member arranging the pick-up or drop-off.

4. Policy Statement

MCYC members may, at their own risk, arrange for non-members to briefly use the dock for pick-up or drop-off of people only, subject to the conditions outlined below.

5. Conditions of Use

a. Member Responsibilities

- The member of record is responsible for ensuring the operator is appropriately licensed, insured, and aware of all marina rules.

- The member accepts full liability for any loss, damage, injury, or incident arising from the operator's use of the facility.
- MCYC does not supervise, oversee, or mediate arrangements between members and non-members, and assumes no responsibility for any resulting disputes or issues.

b. Dock Usage Rules

- Use is limited to loading or unloading passengers and their carry-on items (clothing, groceries, cleaning supplies, fuel etc.) only—**no cargo, materials, or supply deliveries** are permitted.
- Operators must dock only long enough to embark or disembark passengers. **No waiting, staging, or moorage** is allowed.
- Non-member operators must comply with all MCYC dock and marina rules.
- Access may be temporarily restricted during high-traffic periods, events, or when safety is a concern, at the discretion of the Board.

c. Board Authority

The MCYC Board may deny, limit, or revoke dock access for any member or non-member operator who:

- Violates marina rules or this policy,
- Creates a safety or liability concern, or
- Misuses the dock facilities.

6. Enforcement

Failure to comply with this policy may result in disciplinary action, including suspension of dock privileges for the member of record and prohibition of access for the non-member operator.

7. Review

This policy will be reviewed periodically by the MCYC Board to ensure current relevance and effectiveness.
